

Beyond: A KPMG Cyber Podcast

Series 1: Destination Digital ID

Teaser

Person 1

My IDs? I've got my passport, my driver's license, my health card... I have a million cards. Can't find my wallet most of the time though (laughs).

Person 2

It just doesn't make sense. Why do I have to constantly prove that I am me? (pause) I am me.

Person 3

One day it'll all be digital though... won't it?

Narrator

We're on the cusp of a digital transformation that will change the way we prove our identity. This future will make carrying a physical wallet redundant and protecting your personal information seamless. But protecting this future... is up to us.

I am your host, Tamara Stanners.
