## Please Consider Participating in the KPMG Global Assignment Policies and Practices (GAPP) Survey

Participation in the [survey](#) allows you to benchmark your organization in relation to other survey participants on numerous aspects of a global mobility program including: assignee selection and assessment, assignment preparation and planning, automation and robotics, talent and performance management, assignment compensation and allowances, administration and outsourcing, immigration compliance, the use of data and analytics, assignment management technology as well as tax reimbursement approaches.

Key highlights of the [2022 KPMG Global Assignment Policies and Practices Survey](#) will be made available later in the year.
