**Counsel for the Applicants, International Fitness Holdings Inc.,  
 International Fitness Holdings LP and World Health North LP**

**AFFIDAVIT NO. 3 OF PETER MELNYCHUK**

**Sworn on May 21, 2021**

I, Peter Melnychuk, of Calgary, Alberta, AFFIRM AND SAY THAT:

1. I am the Chief Executive Officer of International Fitness Holdings Inc. ("**IFH**") and I am authorized to swear this affidavit on its behalf. I have personal knowledge of the matters hereinafter deposed to, save where stated to be based on information and belief, in which case I verily believe the same to be true.
2. I have previously sworn two affidavits in this action, on April 30, 2021 (the "**First Melnychuk Affidavit**") and May 6, 2021 (collectively, the "**Melnychuk Affidavits**").

3. All capitalized terms that are used but not defined in this affidavit are intended to bear their meanings as defined in the Melnychuk Affidavits.

**I. Introduction and Relief Sought**

4. On April 23, 2021, IFH, International Fitness Holdings LP and World Health North LP (collectively, the "**Applicants**") each filed a Notice of Intention to Make a Proposal ("**NOI**") pursuant to subsection 50.4(1) of the *Bankruptcy and Insolvency Act* (the "**BIA**", and such proceedings, the "**NOI Proceedings**") and appointed KPMG Inc. as its proposal trustee (the "**Proposal Trustee**").
5. As a result of filing the NOI, all proceedings against the Applicants and their assets were automatically stayed for an initial period of thirty (30) days (i.e. until May 23, 2021) (the "**Stay Period**").
6. On May 5, 2021, this Honourable Court pronounced an order (the "**Initial Order**"), which, *inter alia*, (i) extended the Stay Period for an additional period of five (5) days (i.e. until May 28, 2021, and (ii) authorized the Applicants to obtain and borrow under a debtor-in-possession credit facility from First Canadian Cardio-Fitness Clinics Ltd. (the "**Lender**") in an amount of up to \$10,000,000.00 (the "**DIP Facility**").
7. For the reasons further described herein, the Applicants hereby seek from this Court an Order, inter alia:
  - (a) abridging the time for delivery of this Application and deeming service of this Application to be good and sufficient;
  - (b) an order further extending the Stay Period for an additional thirty-three (33) days from the expiry of the Stay Period (i.e. until June 30, 2021);
  - (c) approving and authorizing the transaction (the "**Transaction**") contemplated by the Asset Purchase Agreement dated April 23, 2021 (the "**Transaction**") between Ayrfit West Inc. Ayrfit Alberta Inc. and Ayrfit Edmonton Inc. (collectively, the "**Purchasers**") and the Applicants and Spa Lady (West) Inc. (as vendors), and as amended by Amending Agreement dated May 20, 2021 (collectively, the "**APA**"), a redacted copy of which is marked as **Exhibit "A"** and an unredacted copy of which is marked as **Exhibit "B"** (the "**Confidential Exhibit**") to this affidavit;
  - (d) ordering that, upon delivery by the Proposal Trustee to the Purchasers of the certificate contemplated in the proposed form of Sale Approval and Vesting Order, all

of Applicants' right, title and interest in and to the Purchased Assets shall vest in the Purchasers in the manner contemplated in the APA and set out in the Sale Approval and Vesting Order, free and clear of all Claims (as defined in the Sale Approval and Vesting Order); and

- (e) a sealing order with respect to the Confidential Exhibit and the First Confidential Supplemental Report (the "**Confidential Supplemental Report**") to the second report of the Proposal Trustee, until three months after the closing of the Transaction contemplated in the APA (the "**Sealing Order**").

8. I am advised by the Proposal Trustee and do verily believe that the Proposal Trustee supports this Application.

### **Background**

9. As set forth in the First Melnychuk Affidavit, the Applicants are part of an enterprise which operated twenty-one (21) fitness centres in Edmonton and Calgary (the "**IFH Group**").
10. Since the onset of the COVID-19 pandemic in February and March 2020 and the various closures of its facilities mandated by the provincial and other governments and health authorities, the IFH Group has been presented with considerable operational and financial challenges. In response, the IFH Group implemented strategies to mitigate its losses, all of which were aimed at positioning the business for reopening, even on a reduced basis, once provincial health restrictions were eased. These efforts included:
- (a) renegotiating its leases and negotiating deferral arrangements with landlords of its facilities;
  - (b) reducing staff and streamlining its operations;
  - (c) accessing the Canada Emergency Wage Subsidy program ("**CEWS**") and the Canada Emergency Commercial Rent Assistance Program ("**CECRA**"); and
  - (d) engaging the services of MNP Ltd. ("**MNP**") to lead a strategic process, including a possible sale of the IFH Group's assets. From this process, one potential viable transaction arose involving the Purchasers, the approval for which is being sought in this Application.
11. Despite the foregoing, the IFH Group reported net losses on a consistent basis. The Applicants' secured debt exceeds \$72 million, which is far in excess of the fair market value of its assets,

and the Applicants are in default with their secured lenders, who have indicated they are no longer willing to continue financing the Applicants under their current structure.

### **Restructuring Efforts post-NOI Filing**

12. Following the commencement of these NOI Proceedings, the Applicants have continued to pursue activities aimed at restructuring and streamlining its operations, including:
- (a) consulting with the Proposal Trustee and its legal advisors on the various cost-saving measures available to the Applicants in the context of a formal restructuring process;
  - (b) finalizing discussions with the Purchaser in connection with the APA (as described below), which contemplates the sale of substantially all of the Applicant's business on a going concern basis;
  - (c) working with the Purchaser to identify those leases which the Purchaser intends to assume, and liaising with the Purchaser and various landlords regarding new lease agreements for certain fitness locations where the Purchaser intends to carry on business, and disclaiming leases for eight (8) locations (the "**Disclaimed Locations**");
  - (d) communicating with sub-tenants of the Disclaimed Locations;
  - (e) working with the Lender in respect of cashflows and advances under the DIP Facility;
  - (f) working with the Proposal Trustee and counsel to prepare a cash flow projection and to identify issues with respect to their financial condition and the status of their creditors;
  - (g) engaging with the IFH Group's employees, including holding a town hall meeting on April 25, 2021, regarding the NOI Proceedings, providing weekly updates, and scheduling another town hall meeting on May 28, 2021;
  - (h) working with the Purchasers to develop new employee compensation plans for those employees of the IFH Group anticipated to employment agreements with the Purchasers following the closing of the Transaction;
  - (i) streamlining operations;
  - (j) communicating with IFH Group's members regarding the status of their memberships and the operation of its fitness centres, and with further communication to members on May 28, 2021;

- (k) continuing to engage with governmental authorities in connection with the CEWS and CECRA programs; and
- (l) communicating with various lienholders and claimants regarding the status of their claims against the Applicants under the present NOI Proceedings.

13. Since the Initial Order, the Applicants have borrowed from the Lender a total of \$500,000 under the DIP Facility in order to continue operations during the stay extension period, and in order to support the fees of the Proposal Trustee and counsel involved in the restructuring process

### **The Asset Purchase Agreement**

14. On April 23, 2021, the Applicants entered into the APA, as amended on May 20, 2021, pursuant to which the Purchasers will acquire certain of the Applicants' assets as a going concern sale of the business. The APA was amended to address primarily the involvement of two purchasers to acquire the Calgary and Edmonton related assets. Any references to the APA herein, refers to the APA as amended. I understand that some of the key terms of the APA include:

- (a) the purchase price consists of cash considerations, a promissory note, Purchaser consideration shares, and the value of assumed liabilities under the APA. The particulars of the purchase price (including the mechanism by which the Purchase Price is determined), are releasable upon the closing of the Transaction;
- (b) the APA has closing date of June 18, 2021 (the "**Closing Date**");
- (c) on the Closing Date the Purchasers will acquire certain of the Applicants' assets as a going concern and free and clear of all encumbrances, including personal property, equipment, inventories, accounts receivable, intellectual property, books and records, good will of the Applicants, contact information for the Applicants' members, and all rights to deposits and prepaid expenses;
- (d) the Purchasers will also assume all of the Applicants' liabilities under Assumed Leases and Purchased Contracts (each as defined in the APA), and all amounts owing by the Applicants under the DIP Facility less any adjustments calculated pursuant to the terms of the APA;
- (e) excluded assets from the Transaction include all outstanding loans to the Applicants' management investors; all employment contracts and benefit plans offered to employees; certain loan agreements with management and other investors described at

Schedule 2.2 of the APA; promotional and certain corporate memberships; and personal training contracts;

- (f) the conditions of closing include that:
- (i) the Purchasers waive all conditions in respect of the Assumed Leases by May 19, 2021, which the Purchasers have so waived; and
  - (ii) the Court approves the APA, vesting the purchased assets in the Purchaser free and clear of any encumbrances;
- (g) the Purchasers are finalizing their review of employee requirements for the locations being assumed pursuant to the APA, which allows the Purchasers the option to make new offers of employment to the Applicants' employees within five (5) days of the Closing Date.

#### **Approval of the Sale and Vesting Order**

15. The Applicants did not conduct a Court-supervised sales process for the Purchased Assets, as an extensive sales process was conducted prior to the NOI filing, and the Applicants did not have the financial resources or the time to run an additional process post-filing. The Applicants worked closely with MNP and with the Applicants' secured lenders over the course of many months, and we believe that MNP thoroughly canvassed the market and the Transaction represents a positive outcome that ensures that the Applicants' business remains a going concern without interruption in service to its members.
16. The Applicants did not obtain a formal valuation of their business, other than a liquidation analysis of the used fitness equipment in its facilities. Due to the special nature of the business, and especially due to the current conditions during the global pandemic and its particular effect on the fitness industry, it was impossible to obtain such a valuation. However, we believe that the efforts of MNP and the APA which was extensively negotiated over the course of many months, represents the best indication of the value of the underlying business, and the best offer available in the circumstances.
17. As a result of the Transaction, it is anticipated at least fourteen (14) of the IFH Group's fitness facilities will remain open, which will result in the continued employment of certain of IFH Group's employees. Additionally, the IFH Group's permanent (i.e. non-promotional) members will retain their membership status with the Purchasers. The Sale and Vesting Order provides that the purchased assets located in Edmonton and those located in Calgary will be acquired by different Purchaser entities.

18. Furthermore, given that the Transaction is a going concern sale of certain of the Applicants' assets and business, it is a positive outcome for many of Applicants' stakeholders and other parties with which the Applicants have commercial relationships, including certain landlords, service providers, suppliers and vendors.
19. The Applicants' secured lenders have actively participated in the pre-filing sales process and strategy to monetize the Applicants' assets. The secured lenders, who are owed in excess of \$72 million, and who will be suffering a significant shortfall on their secured debt, continue to support the Transaction being completed.
20. With respect to assumed and assigned leases, negotiations have been ongoing between the Applicants, the Purchasers and landlords. As of the date of my Affidavit, there are eight (8) Disclaimed Leases, and the leases in respect of three (3) locations are anticipated to be assigned to the Purchasers by way of Court Order if terms of the assignment cannot be negotiated with landlords. The Applicants and Purchasers anticipate returning to Court in June of 2021 to seek Assignment Orders, as may be required.

#### **Extension of the Stay of Proceedings**

21. As outlined above in paragraph 12, since the filing of the NOI, the Applicants have been working diligently and in good faith toward a restructuring of their affairs for the benefit of their stakeholders, employees and members.
22. While the Applicants anticipate that, subject to Court approval of the APA, closing of the Transaction will occur on or about June 18, 2021, the requested stay extension to June 30, 2021 will allow for the closing of the Transaction and for the Applicants and the Proposal Trustee to attend to any post-closing matters, including applying for a further Assignment Order or Distribution Order, as required. I have been advised that the Proposal Trustee supports the requested extension of the Stay Period.
23. I believe that the Applicants have been acting in good faith and with due diligence in these NOI Proceedings. I believe it is in the best interests of the Applicants and all of their stakeholders that the Stay Period be extended to allow for the closing of the Transaction, and that such an extension is appropriate in the circumstances.
24. I am not aware of any material prejudice to any of the Applicants' creditors as a result of the proposed extension of the Stay Period.

#### **Cash Flow Projections**

25. Attached as Exhibit "C" is a true copy of the cash flow forecast for the period from May 28, 2021 to June 30, 2021.
26. The Applicants' cash flow forecast projects that it will have sufficient cash to fund its projected operating costs until June 30, 2021.
27. The DIP Facility as approved in the Initial Order contemplated a May 31, 2021 maturity date, to align with an earlier May 31, 2021 closing date and provided an initial available amount of funding of up to \$2 million. On May 20, 2021, the Lender and Applicants entered into an amending agreement with respect to the DIP Facility, which extends the closing date to June 30, 2021, and increases the amount available to the Applicants under the DIP Facility to \$3 million (the "**DIP Amending Agreement**"). Attached hereto and marked as Exhibit "D" is a copy of the DIP Amending Agreement.
28. The Proposal Trustee has reviewed the cash flow forecast and, I understand, is supportive of the same. I expect that the Proposal Trustee will report on the forecast in the Proposal Trustee's Second Report.

### Sealing Order

29. The Confidential Exhibit will contain an unredacted copy of the APA. I believe that the APA contains information of a highly sensitive commercial nature, namely the Purchase Price (and the mechanism for its determination) and personal information. I also believe the Confidential Supplemental Report contains highly sensitive commercial information regarding the marketing process and efforts that MNP undertook prior to the Applicants' filing of the NOI (the "**Marketing Process**").
30. Publication of the Purchase Price and Marketing Process before the approval and closing of the Transaction could result in serious commercial damage to the Applicants as it could prejudice any future sales process, in the event that the Transaction does not close, to the detriment of the Applicants' stakeholders.
31. I believe the sealing order being sought is the least restrictive means possible to prevent disclosure of the confidential and commercially sensitive information regarding the Transaction and from disclosing confidential personal information.

**Conclusion**

32. I swear this affidavit in support of the Applicants' application for an order (i) granting a sale and vesting order in respect of the Transaction, (ii) extending the Stay Period to June 30, 2021, and (iii) granting a sealing order for the Confidential Exhibit and Confidential Supplemental Report, and for no other or improper purpose.

(the preceding Sections 6.7(c)(i) through 6.7(c)(iii) collectively the "**Hired Employee Costs**"), provided that, the Purchaser shall not be responsible for any Excluded Employee Costs nor any liabilities, including severance payments, damages for wrongful dismissal, statutory notice of termination, common law notice of termination, or employee benefits plans related to the prior service of the Hired Employees, and with respect to any Employees who are not Hired Employees, the Purchaser shall not be responsible for any liabilities of the Vendors related to such Employees.

- (d) For greater certainty, unless the Purchaser elects to make an offer of employment to any Employee that is on temporary layoff, leave of absence, disability or other non-active status and that offer of employment is accepted by that Employee, the relevant Vendor shall remain responsible for and the Purchaser is not assuming any liability or obligation with respect to that Employee. Notwithstanding the foregoing, nothing herein shall require the Purchaser to set up or make available to the Hired Employees pension and employee benefit arrangements or to provide pension and employee benefits.
- (e) The Vendors shall be responsible for all liabilities and obligations with respect to all Employees other than the Hired Employees and with respect to the Hired Employees up to the Closing Date, including liabilities and obligations under all Statutory Plans and related to any required notice of termination, termination or severance pay (required under Applicable law or by contract), salary or wages, statutory holiday pay, overtime pay, payroll or employer health taxes, commissions, bonuses, employee benefit plan payments or contributions, vacation entitlements or expense reimbursements.

## **ARTICLE 7 GENERAL**

### **7.1 Public Announcements.**

- (a) Subject to Sections 7.1(b) and 7.1(c), if a Party intends to issue a press release or other public disclosure of this Agreement, the terms hereof or the Transaction, the disclosing Party shall provide the other Parties with an advance copy of any such press release or public disclosure with sufficient time to enable the other Parties to review such press release or other public disclosure and provide any reasonable comments. The disclosing Party shall not issue such press release or other public disclosure without the prior written consent of the other Parties, such consent not to be unreasonably withheld.
- (b) Notwithstanding Section 7.1(a), this Agreement may be filed by the Vendors with the Court and the Transaction may be disclosed by the Vendors to the Court, subject to redacting confidential or sensitive information as permitted by Applicable Law and rules. The Parties further agree that the Vendors and their professional advisors may prepare and file such reports and other documents with the Court containing references to the Transaction contemplated by this Agreement and the terms of such Transaction as may reasonably be necessary to obtain the Sale Approval Order and to complete the Transaction contemplated by this Agreement or to comply with their obligations to the Court.
- (c) Notwithstanding Section 7.1(a), where public disclosure of this Agreement, the terms hereof or the Transaction is required by Applicable Law or a Governmental Authority, except where compliance with Applicable Laws or stock exchange rules would not permit the Party required to make the disclosure to do so, the Party required to make the disclosure shall:
  - (i) use commercially reasonable efforts to provide the other Parties with a draft of any such proposed public announcement or press release at least 24 hours prior to the proposed release thereof; and

- (ii) to the extent reasonably possible, incorporate any reasonable amendments to the proposed public announcement or press release that one or more of the other Parties request sufficiently prior to the release thereof in order for the Party making such public announcement or press release to review and evaluate such proposed amendments.

## **7.2 Expenses.**

Each Party shall pay all expenses (including Taxes imposed on those expenses) it incurs in the authorization, negotiation, preparation, execution and performance of this Agreement and the Transaction, including all fees and expenses of its legal counsel, bankers, investment bankers, brokers, accountants or other representatives or consultants.

## **7.3 No Third Party Beneficiary.**

This Agreement is solely for the benefit of the Parties and no third party accrues any benefit, claim or right of any kind pursuant to, under, by or through this Agreement.

## **7.4 Entire Agreement.**

This Agreement together with the other agreements to be entered into as contemplated by this Agreement, including the DIP Financing Facility (the “**Other Agreements**”), constitute the entire agreement between the Parties pertaining to the subject matter of this Agreement and the Other Agreements and supersede all prior correspondence, agreements, negotiations, discussions and understandings, written or oral, including the letter of intent dated February 22, 2021, as amended March 25, 2021, executed by Ayrshire Real Estate Management Inc. and IFHI. Except as specifically set out in this Agreement or the Other Agreements, there are no representations, warranties, conditions or other agreements or acknowledgements, whether direct or collateral, express or implied, written or oral, statutory or otherwise, that form part of or affect this Agreement or the Other Agreements or which induced any Party to enter into this Agreement or the Other Agreements. No reliance is placed on any representation, warranty, opinion, advice or assertion of fact made either prior to, concurrently with, or after entering into, this Agreement or any Other Agreement, or any amendment or supplement hereto or thereto, by any Party to this Agreement or any Other Agreement or its Representatives, to any other Party or its Representatives, except to the extent the representation, warranty, opinion, advice or assertion of fact has been reduced to writing and included as a term in this Agreement or that Other Agreement, and none of the parties to this Agreement or any Other Agreement has been induced to enter into this Agreement or any Other Agreement or any amendment or supplement by reason of any such representation, warranty, opinion, advice or assertion of fact. There is no liability, either in tort or in contract, assessed in relation to the representation, warranty, opinion, advice or assertion of fact, except as contemplated in this Section 7.4.

## **7.5 Time of Essence.**

Time is of the essence of this Agreement.

## **7.6 Amendment.**

This Agreement may be supplemented, amended, restated or replaced only by written agreement signed by each Party; provided that the Parties agree that the Purchaser may, in its sole and absolute discretion, propose an alteration to the transaction structure contemplated by this Agreement to address any economic, commercial, tax, accounting, regulatory, governmental programs or securities law objectives of the Purchaser, and the Vendors shall cooperate with the Purchaser to amend this Agreement to reflect any such changes; provided that (i) the aggregate amount and allocation among the existing types of consideration paid by the Purchaser does not change or decrease, (ii) the costs and expenses of the altered transaction structure and its implementation (including to amend this Agreement and the incremental costs and expenses of the Vendor (including its professional fees, filing costs, etc.) are borne by the Purchaser,

(iii) the DIP Financing Facility is expanded and extended under the same terms to cover the additional time to a new Closing Date (and the operating costs during that time period), and (iv) the proposed altered transaction structure does not otherwise materially adversely affect the Vendors or impede, materially delay or prevent the consummation of the transactions contemplated by this Agreement.

### 7.7 Waiver of Rights.

Any waiver of, or consent to depart from, the requirements of any provision of this Agreement is effective only if it is in writing and signed by the Party giving it, and only in the specific instance and for the specific purpose for which it has been given. No failure on the part of any Party to exercise, and no delay in exercising, any right under this Agreement operates as a waiver of that right. No single or partial exercise of any such right precludes any other or further exercise of that right or the exercise of any other right.

### 7.8 Jurisdiction.

The Parties irrevocably and unconditionally attorn to the exclusive jurisdiction of the Courts in respect of all disputes arising out of, or in connection with, this Agreement, or in respect of any legal relationship associated with it or derived from it.

### 7.11 Assignment.

obligations in whole or in part to one or more wholly-owned subsidiaries of the Purchaser, provided that (i) such assignment shall not release the Purchaser of its obligations hereunder to the extent the subsidiaries fail to perform such obligations, (ii) such assignment may not assign the Purchaser's obligation to issue the Purchaser Consideration Shares or the Secured Promissory Note, (iii) such wholly-owned subsidiaries provide full, irrevocable and unconditional guarantees of the Purchaser's obligations under the Secured Promissory Note in favour of the holder of the Secured Promissory Note (in a form satisfactory to IFHI, acting reasonably), and (iv) such wholly-owned subsidiaries grant security over their assets such that the holder of the Secured Promissory Note holds at least the same level and ranking of security interest with respect to those subsidiaries as such holder holds with respect to the Purchaser (and in a form satisfactory to IFHI, acting reasonably).

#### **7.12 Further Assurances.**

Each Party shall promptly do, execute, deliver or cause to be done, executed or delivered all further acts, documents and matters in connection with this Agreement that any other Party may reasonably require, for the purposes of giving effect to this Agreement.

#### **7.13 Severability.**

If, in any jurisdiction, any provision of this Agreement or its application to any Party or circumstance is restricted, prohibited or unenforceable, that provision will, as to that jurisdiction, be ineffective only to the extent of that restriction, prohibition or unenforceability without invalidating the remaining provisions of this Agreement, without affecting the validity or enforceability of that provision in any other jurisdiction and, if applicable, without affecting its application to the other Parties or circumstances. The Parties shall engage in good faith negotiations to replace any provision which is so restricted, prohibited or unenforceable with an unrestricted and enforceable provision, the economic effect of which comes as close as possible to that of the restricted, prohibited or unenforceable provision which it replaces.

#### **7.14 Successors.**

This Agreement is binding on, and enures to the benefit of, the Parties and their respective successors.

**FORM OF GENERAL CONVEYANCE AND ASSUMPTION AGREEMENT**

**THIS ASSUMPTION AGREEMENT** (this “**Agreement**”) is entered into as of the [●] day of [●], 2021 by and among International Fitness Holdings Inc., a body corporate subsisting under the laws of Alberta, International Fitness Holdings LP, a limited partnership formed under the laws of Alberta, World Health North LP, a limited partnership formed under the laws of Alberta, and Spa Lady (West) Inc., a body corporate subsisting under the laws of Alberta (collectively, the “**Assignors**”) and 2819066 Ontario Inc., a company incorporated under the laws of Ontario (the “**Assignee**”). Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the Purchase Agreement (as defined below).

**RECITALS**

**WHEREAS**, the Assignors and the Assignee have entered into an asset purchase agreement dated the 23rd day of April, 2021 (the “**Purchase Agreement**”), pursuant to which the Assignors have agreed to sell, transfer and assign to the Assignee, and the Assignee has agreed to acquire and assume from the Assignors, all of the Assignors’ right, title and interest in and to the Purchased Assets, free and clear of all Encumbrances, and the Assumed Liabilities, in each case, on the terms and subject to the conditions set forth in the Purchase Agreement.

**AND WHEREAS**, in accordance with the terms of the Purchase Agreement, the Assignors and the Assignee have agreed to enter into this Agreement to effect: (a) the sale, transfer, conveyance and assignment from the Assignors to the Assignee of all of the Assignors’ right, title and interest in and to the Purchased Assets, and the acceptance of such sale, transfer, conveyance and assignment by the Assignee, and (b) the assumption by the Assignee of the Assumed Liabilities.

**AGREEMENT**

**NOW THEREFORE**, in consideration of the premises and agreements covenants and representations set forth herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

1. Purchased Assets; Excluded Assets. To the extent not otherwise transferred, assigned or conveyed by separate instruments of transfer or other agreements or documents, the Assignors hereby sell, transfer, assign, convey and deliver to the Assignee all of the Assignors’ right, title and interest in and to the Purchased Assets, free and clear of all Encumbrances, and the Assignee hereby accepts such sale, transfer, assignment, conveyance and delivery from the Assignors. For the avoidance of doubt, except for the Purchased Assets, the Assignee purchases, acquires and accepts no other assets from the Assignors, including the Excluded Assets, and the Assignors retain the Excluded Assets.
2. Assumed Liabilities; Excluded Liabilities. To the extent not otherwise assumed by separate agreements or documents, the Assignee hereby assumes the Assumed Liabilities. For the avoidance of doubt, except for the Assumed Liabilities, the Assignee assumes no other liabilities from the Assignors and shall not be responsible for the Excluded Liabilities, and the Assignors shall remain fully liable for the Excluded Liabilities.
3. Further Assurances. At all times hereafter, the Assignors and the Assignee will, at the reasonable request of the other and without further consideration, do and perform or cause to be done and performed all such further acts and things, and execute or cause to be executed all such further deeds, documents, writings or other instruments and give all such further assurances as may be required by the other party to give full effect to the provisions of this Agreement and the Purchase Agreement.

4. Conflicts with Purchase Agreement. To the extent there is a conflict between the terms and provisions of this Agreement and the Purchase Agreement, the terms and provisions of the Purchase Agreement will govern.
5. Interpretation.
  - (a) Words in this Agreement imparting the singular number only shall include the plural and vice versa, and words imparting gender shall include all genders.
  - (b) The division of this Agreement into Sections and other subdivisions and the insertion of headings are for convenience of reference only and shall not affect or be utilized in construing or interpreting this Agreement.
  - (c) All references in this Agreement to any "Section" are to the corresponding Section of this Agreement unless otherwise specified.
  - (d) As used in this Agreement, the word "including" or any variation thereof means "including, without limitation" and shall not be construed to limit any general statement that it follows to the specific or similar items or matters immediately following it.
  - (e) The parties hereto have participated jointly in the negotiation and drafting of this Agreement and, in the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as jointly drafted by the parties hereto and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any provision of this Agreement.
6. Governing Law; Disputes. This agreement is governed by, and interpreted and enforced in accordance with, the laws of the Province of Alberta and the laws of Canada applicable in Alberta, excluding the choice of law rules of that province. The parties irrevocably and unconditionally attorn to the exclusive jurisdiction of the courts of the Province of Alberta sitting in Calgary in respect of all disputes arising out of, or in connection with, this Agreement, or in respect of any legal relationship associated with it or derived from it.
7. Entire Agreement; Amendments and Waivers. This Agreement and the Purchase Agreement (including the schedules and ancillary documents thereto) represent the entire understanding and agreement between the parties hereto with respect to the subject matter hereof, and can be amended, supplemented or changed, and any provision hereof can be waived, only by written instrument making specific reference to this Agreement signed by the party or parties against whom enforcement of any such amendment, supplement, modification or waiver is sought. No action taken pursuant to this Agreement, including any investigation by or on behalf of any party, shall be deemed to constitute a waiver by the party taking such action of compliance with any representation, warranty, covenant or agreement contained herein. The waiver by any party hereto of a breach of any provision of this Agreement shall not operate or be construed as a further or continuing waiver of such breach or as a waiver of any other or subsequent breach. No failure on the part of any party to exercise, and no delay in exercising, any right, power or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of such right, power or remedy by such party preclude any other or further exercise thereof or the exercise of any other right, power or remedy.
8. No Third Party Beneficiaries. Subject to the second sentence of Section 11, this Agreement is not intended to, and shall not, confer upon any other Person any rights or remedies hereunder.

9. Notices. All notices, requests and other communications to any party hereunder shall be in writing and shall be deemed to have been received pursuant to and in accordance with the provisions of Section 7.10 (Notice) of the Purchase Agreement.
10. Severability. If any term or other provision of this Agreement is determined by a court of competent jurisdiction to be invalid, illegal, void or incapable of being enforced by any rule of law or public policy, all other terms, provisions and conditions of this Agreement shall nevertheless remain in full force and effect and shall in no way be affected, impaired or invalidated so long as the economic or legal substance of the Transaction is not affected in any manner materially adverse to any party hereto. Upon such determination that any term or other provision is invalid, illegal, or incapable of being enforced, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible to the fullest extent permitted by Applicable Law in an acceptable manner in order that the Transaction is fulfilled to the extent possible.
11. Assignment; Binding Effect. Neither this Agreement nor any of the rights, interests or obligations hereunder shall be assigned, in whole or in part, by operation of law or otherwise, by any of the parties hereto without the prior written consent of the other parties hereto. Subject to the preceding sentence, this Agreement shall be binding upon, enure to the benefit of, and be enforceable by, the parties hereto and their respective successors and permitted assigns. Any purported assignment not permitted under this Section 11 shall be null and void.
12. Counterparts. This Agreement may be executed in counterparts, each of which will be deemed to be an original copy of this Agreement and all of which, when taken together, will be deemed to constitute one and the same agreement. The exchange of a fully executed Agreement (in counterparts or otherwise) by electronic transmission in .PDF format or by facsimile shall be sufficient to bind the parties to the terms and conditions of this Agreement.

## ARTICLE 10 GENERAL MATTERS

### 10.1 Amendments

This Agreement may only be amended, supplemented or otherwise modified by written agreement signed by all of the parties.

### 10.2 Residence of the Purchaser and the Vendors

The Vendors represent and warrant to the Escrow Agent that they are not a "non-resident" as defined in the *Income Tax Act* (Canada). The Purchaser represents and warrants to the Escrow Agent that it is not a "non-resident" as defined in the *Income Tax Act* (Canada).

### 10.3 Entire Agreement

Subject to the applicable provisions of the Purchase Agreement, this Agreement constitutes the entire agreement between the parties with respect to the transactions contemplated in this Agreement and supersedes all prior agreements, understandings, negotiations and discussions, whether oral or written, of the parties. There are no representations, warranties, covenants, conditions or other agreements, express or implied, collateral, statutory or otherwise, between the parties in connection with the subject matter of this Agreement, except as specifically set forth in this Agreement and the applicable sections of the Purchase Agreement. The parties have not relied and are not relying on any other information, discussion or understanding in entering into and completing

the transactions contemplated by this Agreement. If there is any conflict or inconsistency between the provisions of this Agreement and the provisions of the Purchase Agreement the provisions of this Agreement will govern.

#### **10.4 Enurement and Assignment**

This Agreement becomes effective when executed by all of the parties. After that time, it will be binding upon and enure to the benefit of the parties and their respective successors and permitted assigns. Neither this Agreement nor any of the rights or obligations under this Agreement may be assigned or transferred, in whole or in part, by any party without the prior written consent of the other parties.

#### **10.6 Waiver**

No waiver of any of the provisions of this Agreement will constitute a waiver of any other provision (whether or not similar). No waiver will be binding unless executed in writing by the party to be bound by the waiver. A party's failure or delay in exercising any right under this Agreement will not operate as a waiver of that right. A single or partial exercise of any right will not preclude a party from any other or further exercise of that right or the exercise of any other right it may have.

#### **10.7 Further Assurances**

The Purchaser and the Vendors will at any time and from time to time, upon the request of the other or the Escrow Agent, execute and deliver such further documents and do such further acts as the other or the Escrow Agent may reasonably request in order to evidence, carry out and give effect to the terms, conditions, intent and meaning of this Agreement and to establish and protect the rights, interests and remedies intended to be created in favour of the Escrow Agent.

#### **10.8 Expenses**

#### **10.9 Expenses and Liabilities of the Vendors and the Purchaser**

**Counsel for the Applicants, International Fitness Holdings Inc., International Fitness Holdings LP and World Health North LP**

**AFFIDAVIT NO. 3 OF PETER MELNYCHUK**

**Sworn on May 21, 2021**

I, Peter Melnychuk, of Calgary, Alberta, AFFIRM AND SAY THAT:

1. I am the Chief Executive Officer of International Fitness Holdings Inc. ("**IFH**") and I am authorized to swear this affidavit on its behalf. I have personal knowledge of the matters hereinafter deposed to, save where stated to be based on information and belief, in which case I verily believe the same to be true.
2. I have previously sworn two affidavits in this action, on April 30, 2021 (the "**First Melnychuk Affidavit**") and May 6, 2021 (collectively, the "**Melnychuk Affidavits**").

3. All capitalized terms that are used but not defined in this affidavit are intended to bear their meanings as defined in the Melnychuk Affidavits.

**I. Introduction and Relief Sought**

4. On April 23, 2021, IFH, International Fitness Holdings LP and World Health North LP (collectively, the "**Applicants**") each filed a Notice of Intention to Make a Proposal ("**NOI**") pursuant to subsection 50.4(1) of the *Bankruptcy and Insolvency Act* (the "**BIA**", and such proceedings, the "**NOI Proceedings**") and appointed KPMG Inc. as its proposal trustee (the "**Proposal Trustee**").
5. As a result of filing the NOI, all proceedings against the Applicants and their assets were automatically stayed for an initial period of thirty (30) days (i.e. until May 23, 2021) (the "**Stay Period**").
6. On May 5, 2021, this Honourable Court pronounced an order (the "**Initial Order**"), which, *inter alia*, (i) extended the Stay Period for an additional period of five (5) days (i.e. until May 28, 2021, and (ii) authorized the Applicants to obtain and borrow under a debtor-in-possession credit facility from First Canadian Cardio-Fitness Clinics Ltd. (the "**Lender**") in an amount of up to \$10,000,000.00 (the "**DIP Facility**").
7. For the reasons further described herein, the Applicants hereby seek from this Court an Order, inter alia:
  - (a) abridging the time for delivery of this Application and deeming service of this Application to be good and sufficient;
  - (b) an order further extending the Stay Period for an additional thirty-three (33) days from the expiry of the Stay Period (i.e. until June 30, 2021);
  - (c) approving and authorizing the transaction (the "Transaction") contemplated by the Asset Purchase Agreement dated April 23, 2021 (the "**Transaction**") between Ayrfit West Inc. Ayrfit Alberta Inc. and Ayrfit Edmonton Inc. (collectively, the "**Purchasers**") and the Applicants and Spa Lady (West) Inc. (as vendors), and as amended by Amending Agreement dated May 20, 2021 (collectively, the "**APA**"), a redacted copy of which is marked as **Exhibit "A"** and an unredacted copy of which is marked as **Exhibit "B"** (the "**Confidential Exhibit**") to this affidavit;
  - (d) ordering that, upon delivery by the Proposal Trustee to the Purchasers of the certificate contemplated in the proposed form of Sale Approval and Vesting Order, all

of Applicants' right, title and interest in and to the Purchased Assets shall vest in the Purchasers in the manner contemplated in the APA and set out in the Sale Approval and Vesting Order, free and clear of all Claims (as defined in the Sale Approval and Vesting Order); and

- (e) a sealing order with respect to the Confidential Exhibit and the First Confidential Supplemental Report (the "**Confidential Supplemental Report**") to the second report of the Proposal Trustee, until three months after the closing of the Transaction contemplated in the APA (the "**Sealing Order**").

8. I am advised by the Proposal Trustee and do verily believe that the Proposal Trustee supports this Application.

### Background

9. As set forth in the First Melnychuk Affidavit, the Applicants are part of an enterprise which operated twenty-one (21) fitness centres in Edmonton and Calgary (the "**IFH Group**").
10. Since the onset of the COVID-19 pandemic in February and March 2020 and the various closures of its facilities mandated by the provincial and other governments and health authorities, the IFH Group has been presented with considerable operational and financial challenges. In response, the IFH Group implemented strategies to mitigate its losses, all of which were aimed at positioning the business for reopening, even on a reduced basis, once provincial health restrictions were eased. These efforts included:
- (a) renegotiating its leases and negotiating deferral arrangements with landlords of its facilities;
  - (b) reducing staff and streamlining its operations;
  - (c) accessing the Canada Emergency Wage Subsidy program ("**CEWS**") and the Canada Emergency Commercial Rent Assistance Program ("**CECRA**"); and
  - (d) engaging the services of MNP Ltd. ("**MNP**") to lead a strategic process, including a possible sale of the IFH Group's assets. From this process, one potential viable transaction arose involving the Purchasers, the approval for which is being sought in this Application.
11. Despite the foregoing, the IFH Group reported net losses on a consistent basis. The Applicants' secured debt exceeds \$72 million, which is far in excess of the fair market value of its assets,

and the Applicants are in default with their secured lenders, who have indicated they are no longer willing to continue financing the Applicants under their current structure.

### **Restructuring Efforts post-NOI Filing**

12. Following the commencement of these NOI Proceedings, the Applicants have continued to pursue activities aimed at restructuring and streamlining its operations, including:
- (a) consulting with the Proposal Trustee and its legal advisors on the various cost-saving measures available to the Applicants in the context of a formal restructuring process;
  - (b) finalizing discussions with the Purchaser in connection with the APA (as described below), which contemplates the sale of substantially all of the Applicant's business on a going concern basis;
  - (c) working with the Purchaser to identify those leases which the Purchaser intends to assume, and liaising with the Purchaser and various landlords regarding new lease agreements for certain fitness locations where the Purchaser intends to carry on business, and disclaiming leases for eight (8) locations (the "**Disclaimed Locations**");
  - (d) communicating with sub-tenants of the Disclaimed Locations;
  - (e) working with the Lender in respect of cashflows and advances under the DIP Facility;
  - (f) working with the Proposal Trustee and counsel to prepare a cash flow projection and to identify issues with respect to their financial condition and the status of their creditors;
  - (g) engaging with the IFH Group's employees, including holding a town hall meeting on April 25, 2021, regarding the NOI Proceedings, providing weekly updates, and scheduling another town hall meeting on May 28, 2021;
  - (h) working with the Purchasers to develop new employee compensation plans for those employees of the IFH Group anticipated to employment agreements with the Purchasers following the closing of the Transaction;
  - (i) streamlining operations;
  - (j) communicating with IFH Group's members regarding the status of their memberships and the operation of its fitness centres, and with further communication to members on May 28, 2021;

- (k) continuing to engage with governmental authorities in connection with the CEWS and CECRA programs; and
- (l) communicating with various lienholders and claimants regarding the status of their claims against the Applicants under the present NOI Proceedings.

13. Since the Initial Order, the Applicants have borrowed from the Lender a total of \$500,000 under the DIP Facility in order to continue operations during the stay extension period, and in order to support the fees of the Proposal Trustee and counsel involved in the restructuring process

### **The Asset Purchase Agreement**

14. On April 23, 2021, the Applicants entered into the APA, as amended on May 20, 2021, pursuant to which the Purchasers will acquire certain of the Applicants' assets as a going concern sale of the business. The APA was amended to address primarily the involvement of two purchasers to acquire the Calgary and Edmonton related assets. Any references to the APA herein, refers to the APA as amended. I understand that some of the key terms of the APA include:

- (a) the purchase price consists of cash considerations, a promissory note, Purchaser consideration shares, and the value of assumed liabilities under the APA. The particulars of the purchase price (including the mechanism by which the Purchase Price is determined), are releasable upon the closing of the Transaction;
- (b) the APA has closing date of June 18, 2021 (the "**Closing Date**");
- (c) on the Closing Date the Purchasers will acquire certain of the Applicants' assets as a going concern and free and clear of all encumbrances, including personal property, equipment, inventories, accounts receivable, intellectual property, books and records, good will of the Applicants, contact information for the Applicants' members, and all rights to deposits and prepaid expenses;
- (d) the Purchasers will also assume all of the Applicants' liabilities under Assumed Leases and Purchased Contracts (each as defined in the APA), and all amounts owing by the Applicants under the DIP Facility less any adjustments calculated pursuant to the terms of the APA;
- (e) excluded assets from the Transaction include all outstanding loans to the Applicants' management investors; all employment contracts and benefit plans offered to employees; certain loan agreements with management and other investors described at

Schedule 2.2 of the APA; promotional and certain corporate memberships; and personal training contracts;

- (f) the conditions of closing include that:
- (i) the Purchasers waive all conditions in respect of the Assumed Leases by May 19, 2021, which the Purchasers have so waived; and
  - (ii) the Court approves the APA, vesting the purchased assets in the Purchaser free and clear of any encumbrances;
- (g) the Purchasers are finalizing their review of employee requirements for the locations being assumed pursuant to the APA, which allows the Purchasers the option to make new offers of employment to the Applicants' employees within five (5) days of the Closing Date.

#### **Approval of the Sale and Vesting Order**

15. The Applicants did not conduct a Court-supervised sales process for the Purchased Assets, as an extensive sales process was conducted prior to the NOI filing, and the Applicants did not have the financial resources or the time to run an additional process post-filing. The Applicants worked closely with MNP and with the Applicants' secured lenders over the course of many months, and we believe that MNP thoroughly canvassed the market and the Transaction represents a positive outcome that ensures that the Applicants' business remains a going concern without interruption in service to its members.
16. The Applicants did not obtain a formal valuation of their business, other than a liquidation analysis of the used fitness equipment in its facilities. Due to the special nature of the business, and especially due to the current conditions during the global pandemic and its particular effect on the fitness industry, it was impossible to obtain such a valuation. However, we believe that the efforts of MNP and the APA which was extensively negotiated over the course of many months, represents the best indication of the value of the underlying business, and the best offer available in the circumstances.
17. As a result of the Transaction, it is anticipated at least fourteen (14) of the IFH Group's fitness facilities will remain open, which will result in the continued employment of certain of IFH Group's employees. Additionally, the IFH Group's permanent (i.e. non-promotional) members will retain their membership status with the Purchasers. The Sale and Vesting Order provides that the purchased assets located in Edmonton and those located in Calgary will be acquired by different Purchaser entities.

18. Furthermore, given that the Transaction is a going concern sale of certain of the Applicants' assets and business, it is a positive outcome for many of Applicants' stakeholders and other parties with which the Applicants have commercial relationships, including certain landlords, service providers, suppliers and vendors.
19. The Applicants' secured lenders have actively participated in the pre-filing sales process and strategy to monetize the Applicants' assets. The secured lenders, who are owed in excess of \$72 million, and who will be suffering a significant shortfall on their secured debt, continue to support the Transaction being completed.
20. With respect to assumed and assigned leases, negotiations have been ongoing between the Applicants, the Purchasers and landlords. As of the date of my Affidavit, there are eight (8) Disclaimed Leases, and the leases in respect of three (3) locations are anticipated to be assigned to the Purchasers by way of Court Order if terms of the assignment cannot be negotiated with landlords. The Applicants and Purchasers anticipate returning to Court in June of 2021 to seek Assignment Orders, as may be required.

#### **Extension of the Stay of Proceedings**

21. As outlined above in paragraph 12, since the filing of the NOI, the Applicants have been working diligently and in good faith toward a restructuring of their affairs for the benefit of their stakeholders, employees and members.
22. While the Applicants anticipate that, subject to Court approval of the APA, closing of the Transaction will occur on or about June 18, 2021, the requested stay extension to June 30, 2021 will allow for the closing of the Transaction and for the Applicants and the Proposal Trustee to attend to any post-closing matters, including applying for a further Assignment Order or Distribution Order, as required. I have been advised that the Proposal Trustee supports the requested extension of the Stay Period.
23. I believe that the Applicants have been acting in good faith and with due diligence in these NOI Proceedings. I believe it is in the best interests of the Applicants and all of their stakeholders that the Stay Period be extended to allow for the closing of the Transaction, and that such an extension is appropriate in the circumstances.
24. I am not aware of any material prejudice to any of the Applicants' creditors as a result of the proposed extension of the Stay Period.

#### **Cash Flow Projections**

25. Attached as Exhibit "C" is a true copy of the cash flow forecast for the period from May 28, 2021 to June 30, 2021.
26. The Applicants' cash flow forecast projects that it will have sufficient cash to fund its projected operating costs until June 30, 2021.
27. The DIP Facility as approved in the Initial Order contemplated a May 31, 2021 maturity date, to align with an earlier May 31, 2021 closing date and provided an initial available amount of funding of up to \$2 million. On May 20, 2021, the Lender and Applicants entered into an amending agreement with respect to the DIP Facility, which extends the closing date to June 30, 2021, and increases the amount available to the Applicants under the DIP Facility to \$3 million (the "**DIP Amending Agreement**"). Attached hereto and marked as Exhibit "D" is a copy of the DIP Amending Agreement.
28. The Proposal Trustee has reviewed the cash flow forecast and, I understand, is supportive of the same. I expect that the Proposal Trustee will report on the forecast in the Proposal Trustee's Second Report.

#### **Sealing Order**

29. The Confidential Exhibit will contain an unredacted copy of the APA. I believe that the APA contains information of a highly sensitive commercial nature, namely the Purchase Price (and the mechanism for its determination) and personal information. I also believe the Confidential Supplemental Report contains highly sensitive commercial information regarding the marketing process and efforts that MNP undertook prior to the Applicants' filing of the NOI (the "**Marketing Process**").
30. Publication of the Purchase Price and Marketing Process before the approval and closing of the Transaction could result in serious commercial damage to the Applicants as it could prejudice any future sales process, in the event that the Transaction does not close, to the detriment of the Applicants' stakeholders.
31. I believe the sealing order being sought is the least restrictive means possible to prevent disclosure of the confidential and commercially sensitive information regarding the Transaction and from disclosing confidential personal information.

**Conclusion**

32. I swear this affidavit in support of the Applicants' application for an order (i) granting a sale and vesting order in respect of the Transaction, (ii) extending the Stay Period to June 30, 2021, and (iii) granting a sealing order for the Confidential Exhibit and Confidential Supplemental Report, and for no other or improper purpose.

In either case, the required payment will be paid within five Business Days of the Closing Statement becoming binding upon the Vendors and the Purchaser.

- (b) Any notice sent in accordance with this Section 7.10 is deemed to have been received:
- (i) if delivered prior to or during normal business hours on a Business Day in the place where the notice is received, on the date of delivery;
  - (ii) if sent by mail, on the fifth Business Day after mailing in the place where the notice is received, or, in the case of disruption of postal service, on the fifth Business Day after cessation of that disruption;
  - (iii) if sent by email during normal business hours on a Business Day in the place where the Transmission is received, on the same day that it was received by Transmission; or
- (c) if sent in any other manner, on the date of actual receipt;

except that any notice delivered in person or sent by Transmission not on a Business Day or after normal business hours on a Business Day, in each case in the place where the notice is received, is deemed to have been received on the next succeeding Business Day in the place where the notice is received.

- (d) Any Party may change its address for notice by giving notice to the other Parties.

### 7.11 Assignment.

No Party may assign or transfer, whether absolutely, by way of security or otherwise, all or any part of its rights or obligations under this Agreement to any Person, provided that the Purchaser may assign its

obligations in whole or in part to one or more wholly-owned subsidiaries of the Purchaser, provided that (i) such assignment shall not release the Purchaser of its obligations hereunder to the extent the subsidiaries fail to perform such obligations, (ii) such assignment may not assign the Purchaser's obligation to issue the Purchaser Consideration Shares or the Secured Promissory Note, (iii) such wholly-owned subsidiaries provide full, irrevocable and unconditional guarantees of the Purchaser's obligations under the Secured Promissory Note in favour of the holder of the Secured Promissory Note (in a form satisfactory to IFHI, acting reasonably), and (iv) such wholly-owned subsidiaries grant security over their assets such that the holder of the Secured Promissory Note holds at least the same level and ranking of security interest with respect to those subsidiaries as such holder holds with respect to the Purchaser (and in a form satisfactory to IFHI, acting reasonably).

#### **7.12 Further Assurances.**

Each Party shall promptly do, execute, deliver or cause to be done, executed or delivered all further acts, documents and matters in connection with this Agreement that any other Party may reasonably require, for the purposes of giving effect to this Agreement.

#### **7.13 Severability.**

If, in any jurisdiction, any provision of this Agreement or its application to any Party or circumstance is restricted, prohibited or unenforceable, that provision will, as to that jurisdiction, be ineffective only to the extent of that restriction, prohibition or unenforceability without invalidating the remaining provisions of this Agreement, without affecting the validity or enforceability of that provision in any other jurisdiction and, if applicable, without affecting its application to the other Parties or circumstances. The Parties shall engage in good faith negotiations to replace any provision which is so restricted, prohibited or unenforceable with an unrestricted and enforceable provision, the economic effect of which comes as close as possible to that of the restricted, prohibited or unenforceable provision which it replaces.

#### **7.14 Successors.**

This Agreement is binding on, and enures to the benefit of, the Parties and their respective successors.

**SCHEDULE 1.1(dd)**  
**FORM OF GENERAL CONVEYANCE AND ASSUMPTION AGREEMENT**

**THIS ASSUMPTION AGREEMENT** (this “**Agreement**”) is entered into as of the [●] day of [●], 2021 by and among International Fitness Holdings Inc., a body corporate subsisting under the laws of Alberta, International Fitness Holdings LP, a limited partnership formed under the laws of Alberta, World Health North LP, a limited partnership formed under the laws of Alberta, and Spa Lady (West) Inc., a body corporate subsisting under the laws of Alberta (collectively, the “**Assignors**”) and 2819066 Ontario Inc., a company incorporated under the laws of Ontario (the “**Assignee**”). Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the Purchase Agreement (as defined below).

**RECITALS**

**WHEREAS**, the Assignors and the Assignee have entered into an asset purchase agreement dated the 23rd day of April, 2021 (the “**Purchase Agreement**”), pursuant to which the Assignors have agreed to sell, transfer and assign to the Assignee, and the Assignee has agreed to acquire and assume from the Assignors, all of the Assignors’ right, title and interest in and to the Purchased Assets, free and clear of all Encumbrances, and the Assumed Liabilities, in each case, on the terms and subject to the conditions set forth in the Purchase Agreement.

**AND WHEREAS**, in accordance with the terms of the Purchase Agreement, the Assignors and the Assignee have agreed to enter into this Agreement to effect: (a) the sale, transfer, conveyance and assignment from the Assignors to the Assignee of all of the Assignors’ right, title and interest in and to the Purchased Assets, and the acceptance of such sale, transfer, conveyance and assignment by the Assignee, and (b) the assumption by the Assignee of the Assumed Liabilities.

**AGREEMENT**

**NOW THEREFORE**, in consideration of the premises and agreements covenants and representations set forth herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

1. Purchased Assets; Excluded Assets. To the extent not otherwise transferred, assigned or conveyed by separate instruments of transfer or other agreements or documents, the Assignors hereby sell, transfer, assign, convey and deliver to the Assignee all of the Assignors’ right, title and interest in and to the Purchased Assets, free and clear of all Encumbrances, and the Assignee hereby accepts such sale, transfer, assignment, conveyance and delivery from the Assignors. For the avoidance of doubt, except for the Purchased Assets, the Assignee purchases, acquires and accepts no other assets from the Assignors, including the Excluded Assets, and the Assignors retain the Excluded Assets.
2. Assumed Liabilities; Excluded Liabilities. To the extent not otherwise assumed by separate agreements or documents, the Assignee hereby assumes the Assumed Liabilities. For the avoidance of doubt, except for the Assumed Liabilities, the Assignee assumes no other liabilities from the Assignors and shall not be responsible for the Excluded Liabilities, and the Assignors shall remain fully liable for the Excluded Liabilities.
3. Further Assurances. At all times hereafter, the Assignors and the Assignee will, at the reasonable request of the other and without further consideration, do and perform or cause to be done and performed all such further acts and things, and execute or cause to be executed all such further deeds, documents, writings or other instruments and give all such further assurances as may be required by the other party to give full effect to the provisions of this Agreement and the Purchase Agreement.

4. Conflicts with Purchase Agreement. To the extent there is a conflict between the terms and provisions of this Agreement and the Purchase Agreement, the terms and provisions of the Purchase Agreement will govern.
5. Interpretation.
  - (a) Words in this Agreement imparting the singular number only shall include the plural and vice versa, and words imparting gender shall include all genders.
  - (b) The division of this Agreement into Sections and other subdivisions and the insertion of headings are for convenience of reference only and shall not affect or be utilized in construing or interpreting this Agreement.
  - (c) All references in this Agreement to any "Section" are to the corresponding Section of this Agreement unless otherwise specified.
  - (d) As used in this Agreement, the word "including" or any variation thereof means "including, without limitation" and shall not be construed to limit any general statement that it follows to the specific or similar items or matters immediately following it.
  - (e) The parties hereto have participated jointly in the negotiation and drafting of this Agreement and, in the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as jointly drafted by the parties hereto and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any provision of this Agreement.
6. Governing Law; Disputes. This agreement is governed by, and interpreted and enforced in accordance with, the laws of the Province of Alberta and the laws of Canada applicable in Alberta, excluding the choice of law rules of that province. The parties irrevocably and unconditionally attorn to the exclusive jurisdiction of the courts of the Province of Alberta sitting in Calgary in respect of all disputes arising out of, or in connection with, this Agreement, or in respect of any legal relationship associated with it or derived from it.
7. Entire Agreement; Amendments and Waivers. This Agreement and the Purchase Agreement (including the schedules and ancillary documents thereto) represent the entire understanding and agreement between the parties hereto with respect to the subject matter hereof, and can be amended, supplemented or changed, and any provision hereof can be waived, only by written instrument making specific reference to this Agreement signed by the party or parties against whom enforcement of any such amendment, supplement, modification or waiver is sought. No action taken pursuant to this Agreement, including any investigation by or on behalf of any party, shall be deemed to constitute a waiver by the party taking such action of compliance with any representation, warranty, covenant or agreement contained herein. The waiver by any party hereto of a breach of any provision of this Agreement shall not operate or be construed as a further or continuing waiver of such breach or as a waiver of any other or subsequent breach. No failure on the part of any party to exercise, and no delay in exercising, any right, power or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of such right, power or remedy by such party preclude any other or further exercise thereof or the exercise of any other right, power or remedy.
8. No Third Party Beneficiaries. Subject to the second sentence of Section 11, this Agreement is not intended to, and shall not, confer upon any other Person any rights or remedies hereunder.

9. Notices. All notices, requests and other communications to any party hereunder shall be in writing and shall be deemed to have been received pursuant to and in accordance with the provisions of Section 7.10 (Notice) of the Purchase Agreement.
10. Severability. If any term or other provision of this Agreement is determined by a court of competent jurisdiction to be invalid, illegal, void or incapable of being enforced by any rule of law or public policy, all other terms, provisions and conditions of this Agreement shall nevertheless remain in full force and effect and shall in no way be affected, impaired or invalidated so long as the economic or legal substance of the Transaction is not affected in any manner materially adverse to any party hereto. Upon such determination that any term or other provision is invalid, illegal, or incapable of being enforced, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible to the fullest extent permitted by Applicable Law in an acceptable manner in order that the Transaction is fulfilled to the extent possible.
11. Assignment; Binding Effect. Neither this Agreement nor any of the rights, interests or obligations hereunder shall be assigned, in whole or in part, by operation of law or otherwise, by any of the parties hereto without the prior written consent of the other parties hereto. Subject to the preceding sentence, this Agreement shall be binding upon, enure to the benefit of, and be enforceable by, the parties hereto and their respective successors and permitted assigns. Any purported assignment not permitted under this Section 11 shall be null and void.
12. Counterparts. This Agreement may be executed in counterparts, each of which will be deemed to be an original copy of this Agreement and all of which, when taken together, will be deemed to constitute one and the same agreement. The exchange of a fully executed Agreement (in counterparts or otherwise) by electronic transmission in .PDF format or by facsimile shall be sufficient to bind the parties to the terms and conditions of this Agreement.

- 5.3** The Escrow Agent may rely on, and is protected in acting upon, any judgment, order, notice, demand, direction, certificate or other instrument, paper or document which it may receive (including by e-mail) in connection with its duties under this Agreement and may accept them as sufficient evidence of the facts stated in them. The Vendors and the Purchaser may jointly remove the Escrow Agent from its office at any time by not less than ten days' written notice to the Escrow Agent.

The Vendors represent and warrant to the Escrow Agent that they are not a "non-resident" as defined in the *Income Tax Act* (Canada). The Purchaser represents and warrants to the Escrow Agent that it is not a "non-resident" as defined in the *Income Tax Act* (Canada).

### 10.3 Entire Agreement

Subject to the applicable provisions of the Purchase Agreement, this Agreement constitutes the entire agreement between the parties with respect to the transactions contemplated in this Agreement and supersedes all prior agreements, understandings, negotiations and discussions, whether oral or written, of the parties. There are no representations, warranties, covenants, conditions or other agreements, express or implied, collateral, statutory or otherwise, between the parties in connection with the subject matter of this Agreement, except as specifically set forth in this Agreement and the applicable sections of the Purchase Agreement. the transactions contemplated by this Agreement. If there is any conflict or inconsistency between the provisions of this Agreement and the provisions of the Purchase Agreement the provisions of this Agreement will govern.

#### **10.4 Enurement and Assignment**

This Agreement becomes effective when executed by all of the parties. After that time, it will be binding upon and enure to the benefit of the parties and their respective successors and permitted assigns. Neither this Agreement nor any of the rights or obligations under this Agreement may be assigned or transferred, in whole or in part, by any party without the prior written consent of the other parties.
