

KPMG Eastern Economic Corridor Center

KPMG in Thailand

KPMG Eastern Economic Corridor Center was created to facilitate businesses and key stakeholders in harnessing the growth and investment opportunities in Thailand's Eastern Economic Corridor (EEC) initiative.

Comprising of KPMG's experts across all sectors of investments, and pulling from KPMG's global wealth of knowledge, the KPMG Eastern Economic Corridor Center helps key policy makers, state agencies as well as private investors to navigate and benefit from this initiative.

About the EEC

The EEC Development Plan aims to propel Thailand as a powerhouse for industrial production. Under this initiative, Thailand's investment in physical and social infrastructure in the area will be pushed to new heights. The EEC project will, initially, be focused in 3 eastern provinces namely Chachoengsao, Chonburi and Rayong.

Targeted industries under the EEC
