

KPMG International Hotline Numbers

Please review the table below to locate the toll-free number for the country from which you are originating your call.

If you are calling the hotline from a business phone, a mobile phone or a pay phone and the call does not go through, please try again from a private land line. If there is no toll-free number for your country, you can call the hotline at **+1 647 438 6817** (collect / reverse charge calls accepted) or use Skype to make an audio call to **clearview-connects**. See further instructions on using Skype at the end of this document.

You also have the option of submitting a report through the Clearview Connects™ website at www.clearviewconnects.com or by submitting a report by mail.
