KPMG Tax Insights

Have you considered the VAT and regulatory considerations of CR 'renting' – a situation where the party who holds the Commercial Registration (CR owner) and licence to operate a business grants a third party the right and licence to operate the business.

Such situations give rise to complex VAT issues and may also constitute non-compliance with Bahrain Commercial Laws.

The KPMG Bahrain Tax & Corporate Services team has prepared a Tax Insights piece outlining the typical scenario where such a situation may arise and some of the key VAT and other regulatory considerations for Bahrain businesses.

Click [here](#) to access the English version of the latest KPMG Tax Insight on CR renting and click [here](#) to read the Arabic version.

The above is for general information only and is not intended to address the circumstances of any particular scenario. Please seek professional advice in relation to your particular circumstances.
