Bahrain VAT | CR 'renting'

Have you considered the VAT and regulatory considerations of CR 'renting' – a situation where the party who holds the Commercial Registration (CR owner) and licence to operate a business grants a third party the right and licence to operate the business.

Such situations give rise to complex VAT issues and may also constitute non-compliance with Bahrain Commercial Laws.

The KPMG Bahrain Tax & Corporate Services team has prepared a Tax Insights piece outlining the typical scenario where such a situation may arise and some of the key VAT and other regulatory considerations for Bahrain businesses.
