Kingdom of Saudi Arabia (KSA)

Zakat, Tax and Customs Authority (ZATCA) issues decision to reclassify VAT field violations

ZATCA has recently issue a decision to reclassify the table of VAT violations where on detection of a violation, ZATCA will begin with alerting and educating the taxpayer before imposing a fine and granting the violator up to three months to correct the violation. The decision does not extend to non-field violations such as tax evasion, non-filing of returns, non-payment of tax etc.

United Arab Emirates (UAE)

UAE to introduce corporate tax for financial years starting on or after 1 June 2023

The UAE Ministry of Finance (MoF) has recently announced introduction of federal corporate tax on the net income or profit of corporations and other businesses effective from financial years starting on or after 1 June 2023. The rate of tax will be 0% on taxable income up to AED 375,000/- and 9% on taxable income above AED 375,000/-. It has also been announced that a different tax rate will apply for large multinationals that meet criteria set with reference to OECD BEPS Pillar Two.
