IN THE MATTER OF THE NOTICE OF INTENTION TO MAKE A PROPOSAL OF

DENSI CORPORATION

Debtor/Applicant

- and -

KPMG INC.

Trustee

APPLICATION FOR THE ISSUANCE OF AN APPROVAL AND VESTING ORDER AND OTHER RELIEFS

TO ONE OF THE HONOURABLE JUDGES OF THE SUPERIOR COURT, OR TO ONE OF ITS REGISTRAR, SITTING IN COMMERCIAL DIVISION, IN AND FOR THE JUDICIAL DISTRICT OF LONGUEUIL, THE APPLICANT RESPECTFULLY SUBMITS THE FOLLOWING:

1. <u>INTRODUCTION</u>

- 1. On March 6, 2017, the Applicant, Densi Corporation ("**Densi**") filed a *Notice of Intention to Make a Proposal* (the "**NOI**") pursuant to section 50.4 of the *Bankruptcy and Insolvency Act* (the "**BIA**") and KPMG Inc. ("**KPMG**" or the "**Trustee**") was appointed as trustee to the NOI.
- 2. The NOI was filed with a view of initiating, with the assistance of the Trustee and under the supervision of this Court, a sale process (the "Sale Process") in respect of some or all of its assets (collectively, the "Assets") in an attempt to maximize their value, for the benefit of Densi's creditors, and potentially filing thereafter a proposal to its creditors (a "Proposal").
- 3. As a result of the filing of the NOI, all proceedings against, *inter alia*, Densi and its assets a were automatically stayed for an initial period of thirty (30) days (the "Stay Period"), which Stay Period was extended by order of the Court on March 30, 2017, until May 23, 2017, as appears from the court record.

2. ORDER SOUGHT

- 4. For the reasons further described herein, Densi hereby seeks from this Court the issuance of an order:
 - (a) Approving the transactions contemplated under the Offer to Purchase submitted in the context of the Sale Process by 9098-5128 Québec Inc. ("Nu-tone") to Densi on May 5, 2017, as revised and specified on May 9 and 10, 2017 (the "Nu-tone Offer");
 - (b) approving, nunc pro tunc, the transactions contemplated under the following offers which were submitted to Densi outside of the Sale Process:
 - (i) Offer from 9123792 Canada Inc. ("9123792"), dated April 6, 2017 (the "9123792 Offer") for the purchase of some of Densi' equipment;
 - (ii) Offer from Jonoco Copier Inc. ("Jonoco"), dated April 5, 2017 (the "Jonoco Offer") for the purchase of some of Densi' equipment; and
 - (iii) Offer from Capi Inc. ("Capi"), dated April 25, 2017 (the "Capi Offer") for the purchase of some of Densi' equipment;
 - (c) approving, given their *de minimis* liquidation value, the sale of all of Densi's remaining equipment and inventory without further court approval, provided that such sale transactions receives the prior written approval from the Trustee; and
 - (d) extending the Stay Period until June 20, 2017 in order to allow Densi: (i) to close the transaction contemplated in the Nu-Tone Offer, (ii) facilitate the transfer of the Purchased Assets (as defined below) to Nu-Tone, (iii) collect its outstanding receivables owed to it, and (iv) formulate and present to its creditors a proposal which would allow them maximize their recovery;

in accordance with the draft approval and vesting order communicated herewith as Exhibit R-1.

5. Copies of the Nu-Tone Offer, the 9123792 Offer, the Jonoco Offer and of the Capi Offer are communicated herewith, *under seal*, as Exhibit R-2, Exhibit R-3, Exhibit R-4 and Exhibit R-5, respectively.

3. THE FILING OF THE NOI

- 6. The NOI was filed in a context where, inter alia:
 - (a) For the past few years, the printer consumable product market and aftermarket has seen a downturn in Canada, as a result of, *inter alia*, more and more businesses changing their culture by going paperless;
 - (b) Such market trends, combined with increased competition, namely from foreign companies that have begun setting up shop in North America in order to by-pass intermediaries such as Densi, have forced wholesalers and manufacturers of imaging supply products such as Densi to offer even more competitive pricing on their products, thereby reducing their profit margins, and increasing the pressure on their cash-flows;
 - (c) Over the past three (3) years, the exchange rate between the Canadian dollar and the US dollar has varied by more than thirty percent (30%) which has had an immense impact on Densi's profitability, revenue stream and cash-flow given the fact that the majority if not all of its inventory is purchased in US dollars, whereas the majority of its sales and revenues are from customers are based in Canada; and
 - (d) In addition to the foregoing, Densi's delivery costs have also significantly increased over the past few years due to, *inter alia*, increase in fuel costs;
 - (e) In 2015, Densi proceeded with a re-branding by redesigning its product packaging with the objective of attracting more business from both new and existing customers. However, this project turned to be very costly and unprofitable, namely because of certain of its suppliers' inability to deliver to Densi, in time, its product packaging as ordered, which forced the latter to incur significant time and money to repackage itself said products before they could be delivered to its customers. This resulted in, inter alia, loss of profit margins, loss of client business and, ultimately reputational damages; and
 - (f) Despite Densi's efforts to minimize its costs and right-size its business in order to maintain profitability, including by streamlining its operations and reducing its workforce, it ultimately came to the realization that it was no longer able to compete as an intermediary in the printer consumable product and imaging supply aftermarket.
- 7. As Densi was no longer able to meet its obligations as they became due, Densi was left with no viable option other than to file the NOI with a view of initiating a sale process in respect of its Assets in order to maximize their value, for the benefit of its creditors.

4. THE SALE PROCESS

- 8. On March 8, 2017, Densi was authorized by order of this Court to conduct a sale process (i.e. the Sale Process) in order to sell all or part of its Assets, outside of its ordinary course of business.
- 9. The Sale Process, as approved by this Court, contemplated the following milestones:

77 An	<u>Milestones</u>	Expected Timing
A.	Finalization of a list of prospective purchasers:	Week of March 6, 2017
В.	Communication of a "tenser" and a confidential information memorandum to prospective purchasers :	Week of March 13, 2017
C.	Establishment of an electronic data room, if necessary:	Starting Week of March 13, 2017
D.	Discussion and meetings with potential purchasers	Week of March 20, 2017 to Week of April 24, 2017
E.	Due Diligence Period	Week of March 20, 2017 to Week of April 24, 2017
F.	Deadline for the filing of a letter of intent:	Week of April 24, 2017
G.	Determination of successful offer(s) (if any), and negotiation with potential purchaser(s)	Week of May 1, 2017 to Week of May 8, 2017
H.	Filing and presentation of a motion seeking the approval of the sale of the Assets to one or more purchaser(s):	Week of May 15, 2017
I.	Closing of the sale of the Assets to one or more purchaser(s):	Week of May 22, 2017

- 10. From the outset, Densi's intention has always been and continues to be to maximize the value of its assets, for the benefit of its creditors.
- 11. Accordingly, given that Densi's inventory was much more valuable if sold in the ordinary course of its business as opposed to outside of the ordinary course of business, a conscious decision was made by Densi, with the recommendations of

the Trustee, to exclude from the Sale Process its inventory. However, potential purchasers solicited during the Sale Process were not prevented from submitting offers in respect of any inventory (or equipment) which remained unsold as at the Bid Deadline (as defined below).

- 12. During the week of March 13, 2017, Densi, with the assistance of the Trustee, began preparing:
 - (a) a list of approximately eighty (80) prospective purchasers potentially interested in purchasing its Assets (collectively, the "Prospective Purchasers"); and
 - (b) the "teaser" (the "Teaser") and the confidential information memorandum (the "CIM"), the purpose of which is to provide to the Prospective Purchasers relevant information concerning Densi and its Assets.
- 13. On March 24, 2017, the Sale Process was officially launched as the Trustee sent to all Prospective Purchasers copy of the Teaser and of the CIM, a copy of which is communicated herewith as **Exhibit R-6**.
- 14. As provided in the Teaser, all Prospective Purchasers interested in submitting an offer in respect of all or part of Densi's Assets put up for sale were invited to do so by no later than May 5, 2017 (the "Bid Deadline").
- 15. All Prospective Purchasers were informed that some of Densi's intangible assets were subject to certain license agreements or other similar agreements, and therefore not for sale. They were also informed that Densi would not be under any obligation to accept the highest offer, or any offer for that matter.
- 16. Concurrently with the above, Densi also began reaching out directly to some of these Prospective Purchasers who it believed may have had a particular interest in purchasing its Assets.
- 17. Between the launch of the Sale Process on March 24, 2017 and the Bid Deadline on May 5, 2017:
 - (a) Eighty (80) potential purchasers received the Teaser and the CIM prepared by the Trustee;
 - (b) Approximately one thousand five hundred (1,500) members of KPMG's international network of M&A professionals received the Teaser and the CIM prepared by the Trustee;
 - (c) Nine (9) agreed to sign a non-disclosure agreement and were given access to a virtual data room containing confidential information and documents regarding Densi's business and assets; and

- (d) Six (6) potential purchasers actually accessed Densi's virtual data room; and
- (e) Six (6) potential purchasers met with Densi's representatives and/or with KPMG in order to obtain further information on its business and assets.
- 18. On May 5, 2017 (i.e. the Bid Deadline), Densi received a total of four (4) offers, one of which was significantly lower than the other three (3) offers.
- 19. With respect to the other three (3) other offers, although structured differently, they provided somewhat similar recoveries to Densi and its creditors.
- 20. Accordingly, in an attempt to further maximize the value of Densi's Assets, Densi and the Trustee invited these offerors to "sharpen their pens" and submit, if they wished, revised offers by May 9, 2017, at 5 p.m. (the "Revised Bid Deadline").
- 21. At the Revised Bid Deadline, each of the three offerors mentioned above submitted to the Trustee a revised offer, which each provided an increased purchase price. A copy of a summary table prepared by the Trustee comparing all offers received is communicated herewith, *under seal*, as **Exhibit R-7**.
- 22. On May 11, 2017, after having reviewed each and every one of the offers and after having consulted with the Trustee and with its largest creditor, the Fonds de solidarité des Travailleurs du Québec ("FSTQ"), Densi informed the Trustee that, subject to the execution of an asset purchase agreement and other related agreements or documents satisfactory to it, it was accepting the Nu-Tone Offer, which was the offer which provided the greatest recovery to Densi's creditors.

5. DESCRIPTION OF THE NU-TONE OFFER

- 23. Pursuant to the Nu-Tone Offer (R-2), Nu-Tone, a company dealing at arm's length with Densi, has offered to purchase the following assets (collectively, the "Purchased Assets"):
 - (a) The following assets of Densi (the "Densi Purchased Assets") for a specific purchase price (the "Densi Purchased Assets Purchase Price"):
 - (i) All of Densi's intellectual property, including its trade names (except for those already assigned to third parties);
 - (ii) The list of all of Densi's clients (except for those client lists that have already been sold to third parties); and
 - (iii) All of Densi's remaining inventory, save exception;
 - (b) The following assets and rights that are not owned by Densi and over which Densi has no control over (the "Other Purchased Assets") for an

additional specific purchase price (the "Other Purchased Assets Purchase Price"):

- (i) Les Cartouches DNS Inc. ("DNS")'s rights in the tradename "Puretone"; and
- (ii) The execution by Mr. Eric Melka and Robert Melka of a non-solicitation and non-competition agreement.
- 24. Excluded from the Nu-Tone Offer are some of Densi's remaining inventory and other equipment, which Densi, with the assistance of the Trustee, will attempt to sell in order to increase its creditors' recovery.
- 25. As appears from the Nu-Tone Offer, the total purchase price set forth thereunder is payable as follows:
 - (a) the Densi Purchased Assets Purchase Price shall be fully payable to the Trustee's trust account upon approval of the Nu-Tone Offer by this Court, and closing of the sale transactions contemplated thereunder and shall be distributed to Densi's creditors, whether in the context of a Proposal, or, if such Proposal is not accepted by Densi's creditors or approved by the Court, in the context of a bankruptcy; and
 - (b) the Other Purchased Assets Purchase Price shall also be fully payable to the Trustee's trust account upon approval of the Nu-Tone Offer by this Court and closing of the sale transactions contemplated thereunder, but shall be distributed as follows:
 - (i) If a Proposal is accepted by Densi's creditors and approved by the Court, the Other Purchased Assets Purchase Price shall be used to fund, in part, such Proposal; or
 - (ii) If a Proposal is not accepted by Densi's creditors or approved by this Court, the Other Purchased Assets Purchase Price shall be distributed to DNS, Eric Melka and Robert Melka, the rightful beneficiaries of the Other Purchased Assets Purchase Price.
- 26. After review of all offers submitted in the context of the Sale Process, the Nu-Tone Offer represents the more beneficial offer to Densi's creditors, as it provides the highest recovery up-front, and the most certainty in terms of closing.
- 27. Accordingly, and in light of the foregoing, on May 11, 2017, Densi, with the approval of DNS, Eric Melka and Robert Melka, informed the Trustee of its decision to accept the Nu-Tone Offer, and to sell to Nu-Tone the Densi Purchased Assets as well as the Other Purchased Assets, on an "as is, where is" basis, subject to the approval of the Nu-Tone Offer by this Court, and the execution an asset purchase agreement and other related agreements or documents satisfactory to them.

- 28. Densi respectfully submits that:
 - (a) The process leading to the proposed sale (i.e. the Sale Process) was reasonable under the circumstances;
 - (b) The Trustee approved of the Sale Process, and so did this Court on March 8, 2017;
 - (c) Nu-Tone is a party dealing at arm's length with Densi;
 - (d) FSTQ, Densi's largest creditor, was duly and thoroughly consulted throughout the entire Sale Process, and has advised Densi and the Trustee that it was supportive of Densi accepting the Nu-Tone Offer
 - (e) The sale transaction contemplated under the Nu-Tone Offer will provide the better recovery to all of Densi's creditors in comparison with the other offers submitted;
 - (f) The consideration to be received for the Purchased Assets is reasonable and fair, taking their market value in the present circumstances.
- 29. Densi understands that the Trustee supports the Nu-Tone Offer, and shall be providing this Court with a report confirming same in advance on the hearing on this Application.

6. THE PARALLEL SALE OF DENSI'S EQUIPMENT

- 30. In parallel with the Sale Process, Densi obtained from Service FL preliminary assessments regarding the value of its inventory (the "Service FL Inventory Evaluation") and of its equipment (the "Service FL Equipment Evaluation") in the context of a bankruptcy scenario. A copy of the Service FL Inventory Evaluation and of the Service FL Equipment Evaluation are communicated herewith, *under seal*, as Exhibit R-8 and Exhibit R-9, respectively.
- 31. Pursuant to Service FL's assessments, it was expected that the value of both Densi's inventory and equipment be substantially reduced if such assets were sold outside of the ordinary course of business, and, more specifically, in the context of a bankruptcy scenario.
- 32. Accordingly, as previously mentioned, in order to preserve the value of such inventory and equipment, Densi, after discussions with the Trustee, made a conscious decision not to include these assets as part of the Sale Process but rather:
 - (a) continue to sell its inventory in the ordinary course of business; and
 - (b) attempt to sell its equipment in parallel with the Sale Process.

- 33. In order to sell its equipment, Densi's representatives contacted several parties potentially interested in purchasing same, which, as appears from the Service FL Equipment Evaluation (R-5), essentially consists in the following:
 - (a) Lot #1: Office furniture;
 - (b) Lot #2: Computer equipment;
 - (c) Lot#3: General equipment; and
 - (d) Lot#4: Rolling equipment.
- 34. During the week of April 3, 2016, several parties contacted Densi, and attended its offices to inspect the above equipment.
- 35. On April 5, 6, and 25, 2017, respectively:
 - (a) Jonoco submitted the Jonoco Offer in respect of Lot #2 above;
 - (b) 9123792 submitted the 9123792 Offer in respect of Lot #1 above; and
 - (c) Capi submitted the Capi Offer in respect of a portion of Lot#3 above;
- 36. Each of Jonoco, 9123792 and Capi are parties dealing at arms' length with Densi, and each of these offers were submitted on an "as is where is" basis, with all transport costs to be assumed by the purchaser.
- 37. In an attempt to confirm the values set forth in the Service FL Evaluation and potentially maximize the purchase price for its equipment, Densi, with the assistance of the Trustee, thereafter approached Continental Auctionners ("Continental") to see how much such company evaluated the value of the aforementioned equipment.
- 38. On April 6, 2017, Continental sent a letter to the Trustee providing it with its evaluation of the value of Lot #1 and Lot #2 above in a bankruptcy scenario (the "Continental Equipment Evaluation"). A copy of the Continental Equipment Evaluation is communicated herewith as Exhibit R-10.
- 39. As appears from the Offers, the purchase price offered by Jonoco and by 9123792 for Lot #2 and Lot #1, respectively, is significantly superior to the values provided in both the Service FL Equipment Evaluation and the Continental Equipment Evaluation. Although such exercise was not performed for the Capi Offer which was only submitted in respect of a portion of Lot#3, Densi does not expect Continental to provide a higher liquidation value in respect of the assets subject to the Capi Offer.
- 40. Accordingly, Densi submits that the transactions contemplated under the Jonoco Offer, the 9123792 Offer and the Capi Offer are all reasonable under the

- circumstances, and that it would have been appropriate for this Court to approve these offers, and the transactions contemplated thereunder.
- 41. However, given Jonoco's, 9123792 and Capi's insistence in closing the transactions set forth in their respective offers quickly, and the *de minimis* value offered by these parties, Densi, with the approval of the Trustee, determined that it would not be appropriate to incur, at that time, the cost of seeking this Court's approval, as such costs would have certainly significantly reduced Densi's creditors' recovery for the sale of such assets.
- 42. This being said, in an effort to be transparent, Densi wishes to disclose to this Court and to its creditors the above-mentioned transactions, and therefore seeks, *nunc pro tunc*, the approval by this Court of the Jonoco Offer, the 9123792 Offer and of the Capi Offer.
- 43. Finally, Densi also seeks, as part of the approval and vesting order sought herein, the authorization to sell the remainder of its equipment (i.e. unsold portion of Lot #3 and Lot #4), as well as the authorization to sell the remaining unsold portion of its inventory, without further Court approval.
- 44. Indeed, given the limited liquidation value of Densi's remaining equipment, Densi wishes to avoid, to the extent possible, having to incur the costs and fees associated with presenting at Court an application each time an offer is made and accepted with respect to such equipment, as these costs and fees will ultimately reduce the amount to be distributed to Densi's creditors.
- 45. Accordingly, Densi requests the immediate approval from this Court to sell all of its remaining equipment (i.e. portion of Lot #3 and Lot #4), without having to file any additional application each time that a sale transaction is concluded with respect to such assets, provided that such sale transactions receive the prior written approval from the Trustee.

7. THE EXTENSION OF THE STAY PERIOD

- 46. In order to close the sale transaction contemplated under the Nu-Tone Offer, facilitate the transfer of the Purchased Assets to Nu-Tone, collect its outstanding receivables and submit to its creditors a Proposal which will allow them to maximize their recovery, Densi also requests from this Court an order extending the Stay Period until June 20, 2017.
- 47. Densi submits that no creditor will be materially prejudiced as a result of the extension of the Stay Period. In fact, to the contrary, absent an extension of the Stay Period:
 - (a) Densi will be forced to abruptly shut-down its operations, terminate all of its employees as well as its client relationships, effective immediately; and

- (b) In turn, the above events will likely render the closing of the transactions contemplated under the Nu-Tone Offer and the transfer and transition of the Purchased Assets to Nu-Tone much more difficult, if at all possible;
- 48. In addition, unless the Stay Period is not extended, Densi will not be able to formulate a Proposal to its creditors which will provide them with a better recovery than under a bankruptcy context as evidenced by willingness of the beneficiaries of the Other Purchased Assets Purchase Price to offer same to Densi's creditors in the context of a Proposal.
- 49. Throughout this entire process, Densi has acted in good faith and has remained transparent with the Trustee, as well as with FSTQ which, as previously mentioned, has been duly and thoroughly been kept apprised by both Densi and the Trustee during this process.
- 50. Densi understands that the Trustee that it is supportive of the proposed extension of the Stay Period, and that its report which will be submitted to this Court in advance of the hearing on this Application, will confirm same.
- 51. Accordingly, Densi submits that this Application should be granted in accordance with its conclusions, as it is well founded in fact and in law.

WHEREFORE, MAY THIS COURT:

GRANT this Application for the Issuance of an Approval and Vesting Order and Other Reliefs (the "**Application**").

ISSUE an order in accordance with the draft approval and vesting order filed as **Exhibit R-1** of the Application.

THE WHOLE WITHOUT COSTS, save and except in case of contestation.
