1.4 Time

All times expressed in this Proposal are prevailing local time in Vancouver, British Columbia, Canada unless otherwise stipulated.

1.5 Statutory References

Unless otherwise indicated, any reference in this Proposal to a statute refers to that statute and to the regulations made thereunder, as amended and as in force from time to time, or any statute or regulations that supplement or supersede such statute or regulations.

ARTICLE 2 PURPOSE

2.1 Purpose of the Proposal

The purpose of this Proposal is to monetize a significant portion of the remaining value in the Walter Canada Group for the benefit of all Claimants and other stakeholders of the Walter Canada Group.

To achieve this goal, this Proposal is filed by the Bankruptcy Trustee for and on behalf of the Walter Canada Group to cause the Transferred Assets to become assets of the New Walter Canada Group and to cause the Deemed Claims to become liabilities of the New Walter Canada Group so as to preserve the Claims of the Affected Claimants and the interests of other stakeholders in and to the Transferred Assets and to permit the resolution of such Claims and interests pursuant to the CCAA.

The New Walter Canada Group will continue in the place and stead of the Walter Canada Group for all purposes in the CCAA Proceedings, including for the purposes of finally determining all Claims pursuant to the Claims Process Order.

2.2 Effect of the Proposal

The corporate structure of the Walter Canada Group includes a number of partnerships. WECH, the principal entity affected by this Proposal, is the general partner of Walter Canada Coal Partnership, which in turn is the general partner of each of the other Partnerships. As such, all Claimants with a claim against any of the Partnerships have a Claim against WECH. All of the Claimants who have filed a Proof of Claim, were deemed to have filed a Proof of Claim or who filed a notice of civil claim under the Claims Process Order have Claims against one or more of

the Partnerships and, as such, a Claim against WECH as ultimate general partner. The effect of this Proposal is to increase the value available for distribution to any Claimants with Affected Claims against WECH (*i.e.* all Affected Claimants).

For the purposes of determining the nature and priority of the Deemed Claims, the applicable member of the New Walter Canada Group (and the Transferred Assets transferred to such member) shall stand in the place and stead of the member of the Walter Canada Group formerly liable for such Claim (other than any claim that has already been barred pursuant to the Claims Process Order and other than any Residual Liability), and from and after the Proposal Commencement Date, all such Claims against such member of the Walter Canada Group and any encumbrances in respect of such Claims shall be Deemed Claims against the corresponding member of the New Walter Canada Group and shall be deemed encumbrances on the applicable Transferred Assets and such Deemed Claims and deemed encumbrances shall have the same priority with respect to the applicable member of the New Walter Canada Group and the applicable Transferred Assets as they had with respect to the corresponding member of the Walter Canada Group and the Transferred Assets immediately prior to the Proposal Commencement Date, as if the applicable member of the New Walter Canada Group was in all respects the corresponding member of the Walter Canada Group and as if the Transferred Assets had not been transferred and had remained in the possession or control of the member of the Walter Canada Group having that possession or control immediately prior to the transfer.

All Claims against the Walter Canada Group (other than the Residual Liabilities and Priority Claims) shall be compromised, extinguished and released pursuant to the terms hereof.

2.3 Affected Claimants

Although all Claims against the Walter Canada Group (other than the Residual Liabilities and Priority Claims) shall be cancelled, compromised and extinguished pursuant to this Proposal, no Affected Claimant's Claim is adversely affected because each such claim shall become a Deemed Claim against the applicable member of the New Walter Canada Group. Each Affected Claimant's Claim against any member of the Walter Canada Group shall be preserved pursuant to the terms hereof as a Deemed Claim against the applicable member of the New Walter Canada Group as set out herein.

ARTICLE 3 THE CREDITORS' MEETING AND RELATED MATTERS

3.1 Voting Claimants

All Affected Claimants, other than Claimants with Insolvency Claims, shall be entitled to vote their Claims (whether or not such Claims are Allowed Claims) in respect of this Proposal.

Affected Claimants with Insolvency Claims and all Claimants and other stakeholders who are not Affected Claimants, including Claimants to the extent of Priority Claims or to the extent of a Claim under the Promissory Note, will not be entitled to vote at the Creditors' Meeting. Nothing in this Proposal shall affect the defences, both legal and equitable, with respect to any Priority Claim, Deemed Claim or Deemed Interest Amount, including any rights with respect to legal and equitable defences or entitlements to set-offs or recoupments against such Claims.

3.2 Classes of Creditors

For the purposes of voting on this Proposal, all Affected Claimants' Claims shall be included in a single class of creditors.

3.3 Creditors' Meeting

The Creditors' Meeting held in respect of the Affected Claimants shall be held in accordance with this Proposal for the purposes of, among other things, considering and voting on the Resolution or any other matters to be considered at the Creditors' Meeting.

3.4 Approval by the Affected Claimants

The Walter Canada Group will seek approval of this Proposal by the affirmative vote for the Resolution by the Required Majority. Such vote will be conducted by ballot. For the purposes of determining whether or not the Resolution has passed, the Chair shall tabulate the votes cast or deemed cast by each Affected Claimant.

Any other matter submitted for a vote at the Creditors' Meeting shall be decided by affirmative vote of (i) a majority in number the Affected Claimants (other than Claimants with Insolvency Claims) voting (in person or by proxy) on such matter at the Creditors' Meeting; and (ii) Affected Claimants (other than Claimants with Insolvency Claims) representing not less than 66⅔% in value of the Claims of the Affected Claimants voting on the Resolution (in person or by proxy) at the Creditors' Meeting, which may be adduced by show of hands, unless the Chair decides, in the Chair's sole and absolute discretion, to hold such vote by way of written ballot.

3.5 Claims for Voting Purposes

For each vote conducted by ballot, each Affected Claimant (other than Claimants with Insolvency Claims) with one or more Affected Claimant's Claim shall be entitled to one (1) vote and the weight attributed to such vote (for the purposes of determining the Required Majority) shall be equal to the aggregate Canadian dollar value of such Affected Claimant's Claim (if necessary, converted into Canadian dollars in accordance with the provisions of the Claims Process Order). An Affected Claimant with a Claim that is not yet an Allowed Claim shall be entitled to vote such Claim in respect of the Resolution and the value of the Affected Claimant's Claim for voting purposes shall be the value of such Claim as set out in the Affected Claimant's Proof of Claim or Notice of Dispute, deemed Proof of Claim or notice of civil claim, as applicable. The Proposal Trustee may, in its discretion, maintain a separate tabulation of any Affected Claimants' Claims that are not yet Allowed Claims.

No Affected Claimant shall be entitled to bifurcate or sub-divide a Claim for purposes of voting. If an Affected Claimant has assigned part, but not all, of the Affected Claimant's Claim, then only the Affected Claimant shall be entitled to vote at the Creditors' Meeting (in person or by proxy) and the value of such vote shall be the unassigned portion of such Affected Claimant's Claim. In such case, the assignee of such Affected Claimant's Claim shall not be entitled to vote the assigned portion of such Affected Claimant's Claim at the Creditors' Meeting unless the Chair, in the Chair's sole and absolute discretion, determines that the assignee shall be permitted to vote.

For greater certainty, no Claimant shall be entitled to vote any claim that has been barred pursuant to the terms of the Claims Process Order.

3.6 Adjournment

If the Creditors' Meeting is adjourned or postponed by the Chair upon the direction of the Proposal Trustee (which Proposal Trustee may so direct in its sole and absolute discretion) or because a quorum (as required under the BIA) is not obtained, the Creditors' Meeting will be adjourned, postponed or otherwise rescheduled by the Proposal Trustee to such date, time and place as may be decided by the Proposal Trustee, in the Proposal Trustee's sole and absolute discretion and upon such notice as the Proposal Trustee deems appropriate.

3.7 Voting of Proxies

Where an Affected Claimant has submitted a proxy in advance of the Creditors' Meeting, such Affected Claimant's proxy will be voted on any ballot in accordance with the Affected Claimant's instruction to vote for or against the approval of the Resolution and any other matters before the Creditors' Meeting.

Forms of proxy may confer discretionary authority on the individuals designated therein with respect to amendments or variations of matters identified in the notice of the Creditors' Meeting and other matters that may properly come before the Creditors' Meeting.

All other matters related to the solicitation of votes for the Creditors' Meeting, the delivery of materials to Affected Claimants and the voting procedure and tabulation of votes cast at the Creditors' Meeting shall be as set forth in the BIA Procedure Order.

3.8 Claims Bar Date

If any Claimant that was required to file a Proof of Claim has failed to file its Proof of Claim prior to the relevant Claims Bar Date and has not, in accordance with the Claims Process Order, been permitted to file its Proof of Claim late, or if such Claimant received a Notice of Revision or Disallowance pursuant to the Claims Process Order and did not respond within the time period provided for by the Claims Process Order, such Claimant shall have the Claim provided for in the applicable Notice of Revision or Disallowance and, if such Claim is nil, such Claimant shall be forever barred from voting at the Creditors' Meeting and any meeting in respect of the Proposal and such Claimant shall be forever barred from receiving a distribution under this Proposal or any subsequent plan of compromise or arrangement in respect of the New Walter Canada Group, and (i) the Walter Canada Group and the Purchaser shall be released from the Claims of such Claimant, (ii) such Claims shall not be Deemed Claims against any member of the New Walter Canada Group and (iii) Section 4.3(b) shall apply to all such Claims and, for the purposes of the application Section 4.3(b) pursuant to this Section 3.8, the Released Parties referenced therein shall include the New Walter Canada Group and its present and former advisors, partners, principals, employees, officers, directors, representatives, financial advisors, legal counsel, accountants, investment bankers, consultants, agents, predecessors, affiliates, subsidiaries, related companies, heirs, spouses, dependents, administrators and executors.

3.9 Inspectors

At the Creditors' Meeting, the Affected Claimants with Allowed Claims may appoint from one (1) to five (5) inspectors (each an "Inspector") under this Proposal, whose powers shall be restricted to advising the Proposal Trustee in respect of such matters as the Proposal Trustee may consider appropriate from time to time, and considering and approving any amendments to this Proposal which have been agreed and consented to by the Proposal Trustee and the Purchaser.

Provided that all acts done by the Inspectors are done in good faith, the Inspectors shall not be liable to the Affected Claimants for any actions taken by the Inspectors.
